Memories are among our most treasured possessions. In contrast to the material possessions we hold in high regard, memories are strangely unique in many ways. They cost us nothing-yet have an undefinable value to us. We cannot sort them out to our own personal liking-we must accept the good with the bad, the pleasant with the unpleasant. They have the facility for stirring up every emotion we are capable of experiencing from boundless joy and elation to tears of sadness or happiness.

My most fervent hope for each of you is that in your youth you are able to develop the precious quality of knowing the real beauty of life and being appreciative of the opportunities and the joys that each minute, hour, and day of living holds for you.

Let none of you fine young men and women that we have such pride in and hope for wish away the days, the months and the years of your high school career. Build your lives, your character, and your personalities on a foundation as strong as the proverbial "Rock of Gibralter"-a foundation grounded on an understanding and true appreciation for life and the wonder of living. Let your memories be wonderful memories.

We the class of 1964, stand before the canvas of time. We mix the colors of our actions and brush on our experiences. We add a bright spot of happiness and a dab of darkness. All of the colors blend and compliment each other to form the pattern of the painting...our life. Our achievements and failures, our joys and sorrows, our faltering steps and our forward strides all are unveiled and revealed in our work. For this is our job...making our painting, our life, a masterpiece.

MOST LIKELY TO SUCCEED

Sue Woodrow and Bill Dille

With a head on their shoulders and a brain in their head

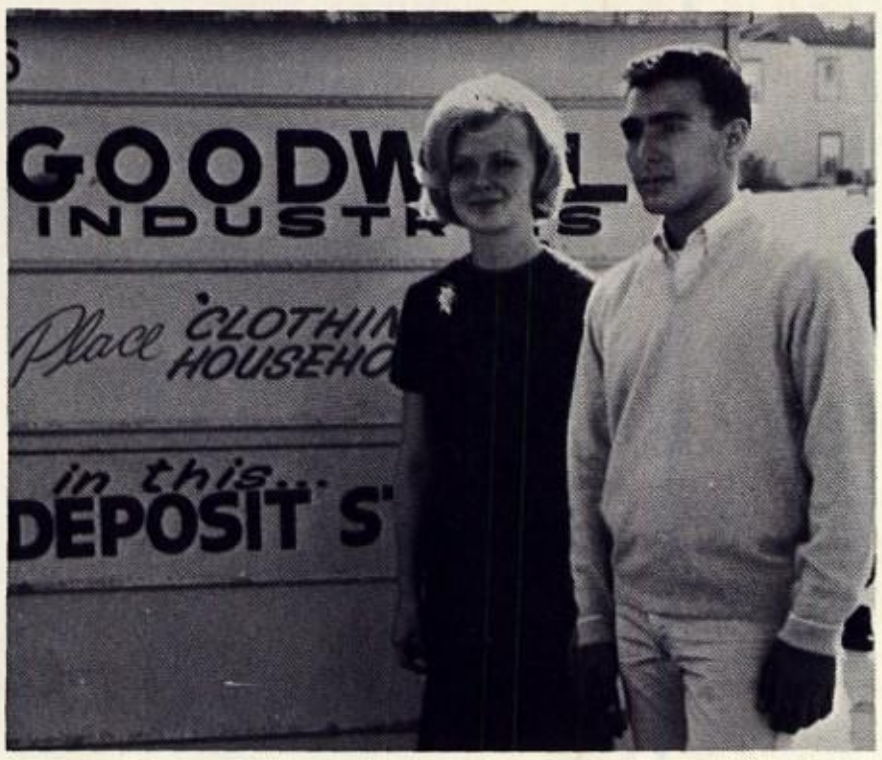
They are Likely to Succeed, we said.
Their ability at all things ought to be great
'Cause, wow, how else are they going to achieve their destiny?!

FRIENDLIEST
Marsha Langeteig and Jorge Pavon-Gala

Smile and the world smiles with you,
Laugh and the world will laugh too,
Share your potato chips at breaktime,
And people will say that you're friendly.

WITTIEST
Marilyn Harvey and Dick Heeren

Making sillies all day long,
Their wit they give us for a song,
We love to have them make us grin,
But, wow, listenin' to them all day
can really be a horror.



BEST DRESSED
Donna Dyson and Vince Tranchita

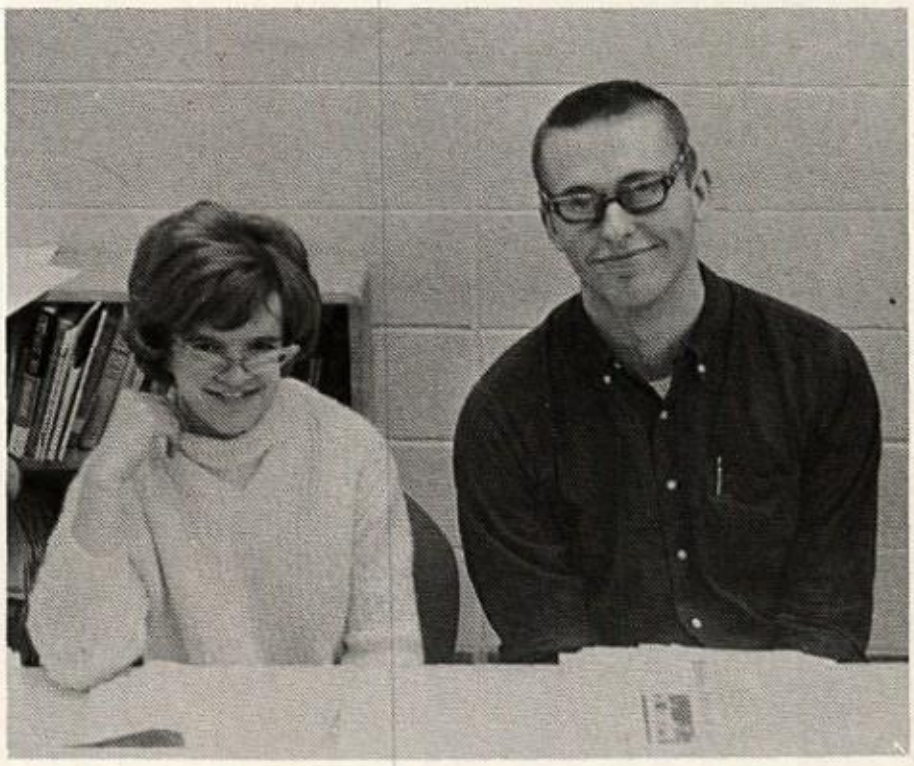
A-line skirts and button-down
shirts,
Always they look "neat"-
From top to toe from head to
foot
They sure are good to look at.

MOST ACTIVE
Sue Blumreich and Chuck Carey

Student Council, Student Council,
Rah-Rah-Rah.
Annual, Annual,
Sis-boom-bah.
Committees, clubs, and commissions, too
Looks like they are never finished.

MOST SCHOLASTIC
Sharon Wikoff and Roy Zeigler

A-A-A-A-A-A-
Their reports look like this.
Their lives are full of scholastic
bliss,
But what did you say was the
combination of my locker?



MOST ATHLETIC
Carol Dickson and Tom McKay

Hit 'em again, hit 'em again,
He runs a pass out above the crowd's din,
U-Rah-Rah Monona Grove,
She sure gets us cheerin', by cracky.

The A.F.S. Committee, whose money-making projects include a style show, Hootenanny, Talent show, and dance, is responsible for providing Monona Grove High School with the wonderful experience of being host to American Field Service Students.

Jorge

Jorge and Steve

Jorge Pavon-Gala, from the capital city of Honduras, has been staying with the Matthews family during the school year. His favorite subjects are history, math, and English. Jorge likes to play basketball and he enjoys skiing. One of his favorite foods is a "terrific club sandwich" which he eats with relish.

Esen

Peanut butter and sundies are Esen Ozgen's favorite foods here in America. Esen likes M. G. because it satisfies a student's needs both scholastically and socially. The only thing she doesn't like is the 72 minute class periods. She has been spending the school year with the Woodrows and will return to Turkey after sight-seeing in the U.S.

The family circle

Esen and Woodrow's

Sue

Spending her summer in Kusadese, Turkey was quite a new experience for AFSer Susan Woodrow, who lived with the Tahsin Konurays in their summer home for about three months. Susan says, meeting the warm Turkish people, swimming in the Aegean Sea, and eating octopus were some of her most wonderful moments.

HOMECOMING '63

The homecoming festivities started with a wild snake dance to burn Fort, and burn they did with M. G. 's 20-0 victory. During the game, Queen Marsha and her court were introduced. Then the queen and her court made the Homecoming Dance on Saturday night a big success. The decorations of the Commissions made the dance an unforgettable event.

We beheld the transformation
as we entered our "ballroom, "
Soft lights had altered the harshness
of the place,
It was pink and green,
violet and blue,
It was soft and bright,
new and young,
It was carefree.

We saw willowy flower-draped trees,
And prancing pastel horses,
We felt a thrill as we beheld
Our Carousel.

1963 FOOTBALL

With only two lettermen returning, Monona Grove 1963 football edition set about to defend the conference championship won in 1962. After an early season defeat to a very strong Stoughton team, which was the eventual conference champion and second ranked team in the state football poll, Monona's eleven bounced back to play fine football the remainder of the season.

The defensive unit again led the conference for the second consecutive year and the offensive unit won the rushing title.

With our victory string snapped at 10 following the Stoughton loss a squad of predominatly underclassmen threw off complacency and disappointment and finished with a fine 7-1 record for second.

Although this years squad was made up of many underclassmen Monona Grove enjoyed fine senior leadership. Two boys, Capt. Bill Dille and Tom McKay, closed out brilliant three year careers and were twice named to all conference and all state teams. Others making the first team all conference squad were end Bob Osburn and sophomore halfback Wayne Fiedler.

Following the conclusion of the season the squad was honored at a banquet at which time the selection of Tom McKay as most valuable player and Tim Halleran as captain for 1964 was announced.

JUNIOR VARSITY FOOTBALL TEAM

The J.V. came through the season duplicating last year's record with an outstanding 5 wins and 2 losses. The team, badly handicapped by the loss of students, came out of the season with a wholesome 125 points to the opponents' 67. Many of the J.V. sophomores came along fast in the start of the year greatly helping the team and also giving the Varsity team a little depth. Coach Mr. McChesney did a fine job with the J.V. 's against all the opposition it encountered in its long season.

FRESHMAN FOOTBALL

The Freshman football team had another great season matching the last with a 6 and 0 record. MG's Frosh scored 148 points to the opponents 45, out-scoring them by better than 100 points. This Freshman team was averagely small in size and number but had lots of fight and determination to reach such a fine record. The team's 6 wins raised their record to 14 consecutive wins in 3 years. A tremendous amount of credit should be given to the coach, Mr. Evensted, for a beautiful job of coaching throughout the season.

Thirty-two boys reported September 1, including four lettermen. It was an inexperienced group, but one ready and eager, one with great growth potential. They started out slowly, but finished with a berth in the state meet, the first time since 1958.

VARSITY BASKETBALL

Monona Grove had it's most successful basketball season since 1961. It was a year of many broken records both by the team and individuals. Mr. Hlavac coached the team to a fine season's record of 15 wins and 3 losses, just missing the conference championship by one game. The student body of Monona Grove should be very proud of the team's fine showing this year.

TRACK 1963

After five straight championships in track it was thought that the boys had done their part but not true with the 1962-63 track and field squad. They were determined to not only maintain the tradition of the squads before them but set their goals even higher. Led by some outstanding boys including Capt. Jerry Meister, Don Harvey, Ed Kollis, Bob Wilson, Roger Durnford, and others; this squad made it seven consecutive Badger Conference titles and went on to place fifth in the State in the strong Class A field. We saw our first individual state champion crowned on our own track which hosted all three state meets and attracted some 6000 spectators. Bob Wilson achieved the honor mentioned above in the broadjump with a leap of 22' 5 1/2".

During the summer months our boys continued to do Monona Grove proud by not only qualifying at State Junior Champs but going on to the National Meet in St. Paul and walking away with five gold medals along with three silver ones. Don Woosley, champion in the 440 plus anchoring our winning relay team, was selected to receive the first annual Bob Richards trophy as the outstanding performer in the national meet.

Other boys placing in the National were Jeff Swanson, 2nd in the 220; Pete Snider, 2nd in the polevault; Wayne Fiedler, 2nd in the broadjump; and Bob Brill who teamed up with Woosley, Fiedler, and Swanson on the winning relay team.

TENNIS

Last years newly formed tennis team had a brilliant record for an unseasoned team. Captained by Paul Boyer, the team came through with an outstanding 3 win and 7 lose record. Made up mostly of lower classmen, the team fought courageously against overpowering odds with two of the seven loses obtained by but one point. By the team members, Dick Collman was chosen captain of this years team, and the most valuable player was chosen as Bruce Griffith.
